Henry Watterson in Courier-Journal.

Touching silv this is to be said: All of us in the West and South are bimetalists; all of us are friends of the double, enemies of the single, standard; all of us believe that the expanding needs of the country re- in the orchard to help build up lerquire, and that the country will as- tility. similate, a still larger circulating So far as possible all the macure medium, and look largely to silver applied in the garden should be as the basis of the currency which thoroughly rotted and fine. is to succeed the retiring National Onions, lettuce, peas, beets, radbank notes. But as to conclusions, jehes and spinach can be worked. this is the extent of it. In the matter of legislative detail, as the best fiscal means of reaching these ends, apart to use the garden cultivator. there is no agreemint because there has been no adequate discussion,

and there is no general knowledge. to keep up a succession. The people of the West and South are sorely distressed and perplexed. Twenty-five years of class distinction seed is distributed more evenly in in the Government have done their the row and is covered more evenly. perfect work. Excessive and unjust pended ten years getting together on this. this paramount issue. At last we Mix a few radish seeds with the are together. We stand upon high, asparague, rhubarb and parsnips, so upon solid ground. Victory, if not that the weeds will not hide the within our grasp, is yet within our plants. sight. Is it possible that any sane Democrat anywhere can believe it plying commercial fertilizers is good, or wise, to abandon the post- broadcasting. In the garden espection of advantage, reached after so ially it is difficult to get the soil too much travail and outlay, and to ad rich. vance through a moraes of uncertainty upon the rifle-pits and masked batteries of an enemy, who laughs in his sleeve as he waits to welcome us puncture. with bloody hands to hospitable graves?

Thinking Democrats will never consent to this. Nor will they be chills and fever. Sold by Hillyard diverted by any specious arguments & Woods. born of the fears of those among us who are moved by an unwholesome terror of the Alliance. The Democratic party is all that stands between the people and anarchy on the one hand and oligarchism on the other. It has always shown itself equal to the emergency. It will do so now. But, in order to do so, it must be off with the old love before it is on with the new. One thing at a time is as good a rule in public as in private life, and it will be quite time enough to consider how we shall cross the river of our discontent, both as to nominee and a financial policy, when we got to it. In the meantime, all possible latitude should be allowed for differences Sold under positive guarantee by which do not need to be reconciled Hillyard & Wood. for a year or more, stipulating only Work BAG. - Take a square ion against Reedism and Rascality, seed pearls, stitch inside jingoism and fraud, when we meet it a round bottom of pasteboard covtogether to decide as to what is best ered with silk, paint a few violets on to guide us and who is best to lead one side, and draw together with heliotrope silk cord, tipped with
